6. Select all teachers you require interviews with by **ticking the boxes**

7. Scroll and select available slots with each staff member. The green slots are available. Gray slots are unavailable. As you **click a green slot** it will turn pink and your child's name will appear in that time. You will only be able to book once with each teacher, and only once in each time slot. Ideally you want to select interview slots that are chronological so that you can move from one interview to the next without having to wait around. Once you have selected your interview slots click the 'Save' button

If you **change your mind** click the pink slot and it will revert to green allowing you to choose a different time slot

8. Once saved you will have the option of **emailing** or **printing** your interview booking times. If you select the email option the schedule is sent to the email address you initially entered
